Governor Inaugurated for Second Term Recommends Legislation to Benefit the New Haven Control of Boston and Maine.

The people of Massachusetts are to be called upon to furnish the money to improve the Boston & Maine Railroad, gobbled up by the New Haven Road, instead of the latter company, as the public was led to believe by the campaigners for the merger. This astonishing fact was made public today in the inaugural message of Governor Elen S. Draper, who with Lieutenant-Governor Frothingham, was inducted into office for a second term, at the State House at noon.

A gubernatorial campaign was fought with the merging of these two railroads as the chief issue. The Republicans, standing for the merger, won. The Boston Railroad Holding Company, which has a majority of the Boston & Maine stock, and is controlled by the New Haven Road, was the result.

Governor Draper says that the Legislature takes the bonds of the holding company law for the improvement of the Boston & Maine Railroad. NEW YORK, Jan. 6.—With the exception of Rock Island common, which was weak, the stock market opened strong and active. The market was characterized by a point were scored through the list, with Southern Pacific, Union Pacific, and Steel most active.

The strength was due in the reduction of the rate of interest per cent in the Bank of England's discount rate. This is further proof that the money situation is rapidly improving. Copper shares were strong and steady, and sold at a premium of about one cent. A large pool of today's covering represented covering of short contracts by traders who were aggressively betting on the first sale of the market, and the market was characterized by a heavy sale with the price settling at 45 1/2, a net loss of 1 1/2 points from yesterday's close. The market was characterized by a heavy sale from Tuesday's final figures.

American shares were stronger in London. The market was very steady in London. New York.

Champion Copper

Next week will appear in the press of New

England one of the greatest-ever publicity campaigns on Champion Copper, the one stock on which I am willing to give bonds no investor can lose money on at current price.

I believe the trading in it may run as high as 250,000 shares a day.

I believe that every man, woman and child

in New England will be interested.

I believe before the end of next week the company will have 25,000 stockholders.

NO SYNDICATE BALL
SAYS GARRY HERRMANN

CINCINNATI, Jan. 9. (Special.)—Garry Herrmann, chairman of the National Baseball Commission, the party which regulates all things in relation to the diamond, came out very strong in his annual report to the press to indicate baseball. After remarking that the great sport of the national game is...

The situation of affairs however, will not continue very long if syndicate baseball is permitted to enter the game, and Herrmann concedes that any club owner will differ with me on the subject. If it is attempted, in my opinion, to suppress it, it will be taken, not by the National Commission but by everyone else interested in the perpetration of the national game.

NATIONAL UMPIRES
STRIKE FOR MORE
PAY THIS YEAR

The National League umpires have their incomes. Nine Year Umpires have been made president the "umps" are so to be increased in the salary, as they know they have the sympathy of the public. The umpires also are to be increased in the salary of the umpires of the National League. It will mean that the umpires will be paid more than the players.

Nothing succeeds like circulation. The AMERICAN has quantity and quality. It is a matter of common knowledge that the AMERICAN is the most valuable of all newspapers in the country.

PIEPER TO COACH

California
Why not live on the seashore this winter at Coronado or Santa Barbara? There January is June. The salt air will build you anew. On the way is the rainbow-hued Grand Canyon of Arizona.

A Pullman takes you to the rim of this titan of chasms. Two to five day time, \$6.50 railroad fare, reasonable hotel bill at El Torovar (management of Fred Harvey) and a few dollars for rim and trail trips—that's all the extra expense.

The California Limited runs daily between Chicago-Kansas City and Los Angeles-San Diego-San Francisco. Only Southern California train, via, exclusively for first-class travel. All others carry tourist sleepers and second-class passengers.

Food Harvey meals and entertainment. Ask for illustrated booklet, "California Limited," "Time of Chasms," and "El Torovar." Write to W. Manning, Chicago, or to W. Manning, San Francisco.

JOHNSON GETS
\$108 FOR STAGE
APPEARANCE

Jack Johnson is proving a treat as a theatrical attraction and grand prizefighter. His troupe sale drew \$108 when he appeared in St. Louis, the same amount as the very first night.

It was simply that Lili Albi is in bad luck in Philadelphia because he put up a fight and the fight has not been fought in the ring yet. Johnson is not in the ring yet.

LANGFORD TO
FIGHT JACK
SULLIVAN

PITTSBURGH, Jan. 9. Sam Langford, the colored middleweight whom all the fighters feared to meet in the ring, has been signed up to meet Montana Jack Sullivan for a second round to take place at the Empire Athletic Club on Tuesday night, January 18.

The second round of the fight has been rescheduled by the club, as there is little doubt that the match will go through. Sullivan is a tough boxer who has the right chance to show his real ability in the ring and it is expected that in the second round he will show his worth as a fighter.
